Hi there! Apparently, Cal Trans finally moved out that encampment off their property and now they have set up under the power lines. It looks like it may be on So Cal Edison property (several of the parcels there on ZIMAS are owned by So Cal Edison). Could you reach out to our government liaison there (info below) and see about getting it cleaned up? Thanks, and hope you have enjoyed the holidays! Happy New Year!!

So...the illegal encampment was cleared from Caltrans property. They relocated to DWP/Edison property under the power lines.
